## Vote #1 Education Officer

We spend a lot of time and money to be educated at university so we should expect to get a lot in return. As a third year law student here at Medway I'm used to fighting for what I believe in, so you can trust that (with *your* involvement) I will identify what your needs are and see how they can be met.

**NEW MEDWAY EDUCATION COMMITTEE.** Unifying the Rep systems from each university will increase co-operation and consistency between Kent, Greenwich and Christ Church, resulting in improved education for all students.

**HELP COURSE REPS ACHIEVE THEIR AIMS.** I'll ensure that the issues you raise with your Reps are taken seriously and addressed expediently.

**BE ACCESSIBLE AS AN EDUCATION OFFICER.** You'll easily be able to contact me by email about anything regarding education here at Medway.
